

CJD UPDATE

There is no discussion paper for agenda item 90/2, however Professor Ironside will refer to the following papers during his presentation:

Polymenidou *et al.* (2005) Coexistence of multiple PrP^{Sc} types in individuals with Creutzfeldt-Jacob disease. *The Lancet neurology online*, 31 October 2005.

Yull *et al.* (2006) Detection of Type 1 of the Prion Protein in Variant Creutzfeldt-Jacob Disease. *American Journal of Pathology* 168, No.1, January 2006 in Press.
