

## **PUBLIC ANNOUNCEMENT**

### **THE SPONGIFORM ENCEPHALOPATHY ADVISORY COMMITTEE**

#### **OPEN MEETING**

The February meeting of the Spongiform Encephalopathy Advisory Committee (SEAC) will be open to the public. This will take place on the 11th February 2003 at the DTI Conference Centre, Victoria Street, London.

SEAC's remit is to provide scientifically based advice to the Department for Environment Food and Rural Affairs, the Department of Health, the Food Standards Agency, and the devolved administrations on matters relating to spongiform encephalopathies, in particular BSE and variant CJD. The meeting will enable interested groups and individuals to observe and gain an insight in the workings of the Committee and to increase the public's understanding of TSEs.

The agenda and the papers for the February meeting will be finalised shortly and will be available on the SEAC website one week prior to the meeting.

Admittance will be by registration only with places issued on a 'first come, first served' basis.

Please contact the SEAC Secretariat at the address below by no later than 3<sup>rd</sup> February 2003 if you wish to attend the February meeting.

Further meetings have been confirmed for 30<sup>th</sup> April 2003 and 24<sup>th</sup> June 2003.  
A similar notice will be placed on the website nearer the times of these meetings.
